Volunteer work at Arlington Public Library in Massachusetts
Volunteer for children's activities at Norwell Public Library
Library Trustee at Norwell Public Library

Major issues confronting our town today:

I perceive one of the biggest issues facing our town is the need to comply with the states requirement for affordable housing, and the reluctance of the community majority to accept a proposal. We as citizens need to thoughtfully consider proposals and the recommendations of our boards. It is our responsibility to accept a well-planned option, lest the state decide for us.

I am running for the office of Library Trustee because:

Our public libraries are incredibly valuable resources. Free to all, they are not just repositories of knowledge; they are gathering places for community meetings and events, equal access sites for tutors and students, and maker spaces. Libraries are the strength or weakness of a town. I am overjoyed our citizens voted for our new library to be built and wish to do my part to ensure its continued success as a resource to be utilized by all.
