### **Issues:**

Some of the initiatives that I think are important for our town would be to promote a sensible tax base, preserve Norwell's beautiful neighborhoods, and to achieve greater transparency within town government. Fully funding and supporting our town services is also vital to maintain our vibrant community.

### **I'm running because:**

I am running for one of the two open seats on the Norwell Selectboard. My wife Carey and I live on Hawthorne Lane with our three sons. Spencer and Carson are both at Vinal Elementary and our oldest son Stephen is a Norwell Firefighter. We also have a yellow lab. Her name is Finlay. We LOVE Norwell!

I have been an attorney for almost 20 years. If elected, I would be the only attorney on the Board. I manage my own law practice and my family and I also own a small business. I have been an adjunct faculty member at Northeastern University since 2008, teaching graduate-level courses within the College of Professional Studies.

I KNOW I can make a difference!

I respectfully ask for your vote on Saturday May 15<sup>th</sup>.
